Dear Sir

Allotment of Site to the Mysore Bank Employees Association, Bangalore for Primary and Nursery School - Park Area.

We thank you for your letter No.842/53-54 dated 18th June 1954 intimating that a site measuring 100 x 168 (Park area) in the 9th Main Road, Block II of Jayanagar is allotted to Bank of Mysore Employees Association for the construction of a Primary and Nursery School building at Rs.5/- per Sq Yard

Thanks to the financial assistance given by the Bank of Mysore Ltd we were able to start a Primary and Nursery School on modern lines under the guidance of two well trained teachers The resources of the school at the moment are very meagre and in spite of the Government grant we are unable to meet the salaries of the teachers and staff and we are running into a deficit practically every month

A philanthropist interested in Education of the children has come forward with a donation of Rs.30,000 for building purposes on condition that we secure a suitable site from the City Improvement Trust Board free ofcost.

Since the donation is a fairly big amount and it may be possible to obtain a similar amount from the Government, we would request you to kindly recommend to the Government to the grant of the above site free of cost to us to enable us to put up a suitable building to house not only a Primary but a High School

Thanking you for an early compliance

Yours faithfully

With reference to your letter No.L.5092 dated 31st July 1954, I write to state that amenity sites and open spaces in Jayanagar Extension have been taken into account for realisation in the estimate and no land could be given free of cost absolutely for any institution

2. The President of the Bank informs that they have found a philonthropist who has come forward with a donation of Rs.30,000/- (Thirty thousand) for a building and such being the case it may not be very much for the Committee to find out the cost of the site allotted to them. With reference to your letter No.MBJ.62 dated 17-7-54 on the above subject, I write to state that the schemes of the Board are formulated on self supporting basis and all the open lands, amenity sites etc., are taken for realisation and giving sites free of cost will upset the financial position of the scheme being self supporting. Subject: Allotment of site to the Mysore Bank Employees' Association.

With reference to your letter No.L.8395 dated 12th October 1954 on the above noted subject, I write to state that a site in Block I of Jayanagar Extension was given free of cost to the Hindi Riyasath Samithi (as a special case) vide Government Order No.L.1389-92/Ml.108-48-2 dated 11th August 1948, with a view to promoting the advancement of National Language

Certain sites are reserved for Civic Amenity without which the ex-tension cannot become self-sufficient and these are being sold to public institutions, societies clubs etc.
